

# General Code of Conduct

## Winsted Youth Soccer Association

All coaches, players and participants shall abide by the General code of Conduct and Disciplinary Policy. All coaches shall be required to review and sign the form set forth below before participating with their team.

The WYSA is committed to providing the opportunity for boys and girls to play soccer in an atmosphere that is conducive to the development of athletic skills, positive personal values and sound community spirit.

To achieve that atmosphere, coaches and players must always conduct themselves in a manner that will reflect favorably on themselves, their team and the league. Coaches and players should serve as examples. They have an obligation to inform parents and partisan spectators that their actions also must be sportsmanlike. At no time should the excitement of the game be allowed to bring forth loud, derisive actions that serve only to detract from the integrity of the game.

To deal with any unsportsmanlike actions that may occur at league soccer games, the WYSA has adopted a discipline policy. The WYSA has the authority to take appropriate action against any coach, player participant or team involved in unsportsmanlike conduct.

By signing below, you acknowledge you have read the discipline policy and agree to its terms.
